Gwen Bowles

Gwen,
I'm so glad
I got to know you
better this year. You
are one of the sweetest
girls I know! Be sure
and stay that way.
Good luck in the
future. You got a
beautiful future ahead
of it wisely!
Love ya
Deebo

Gwen,
I really wish
I would have gotten
to know you better this
year. Hope to see you this summer.
You're quite a gal!
Dirtbikeing

Gwen,
Hello, when you refer
back to this year-book,
I hope that you remember
all the good times. I really
enjoyed getting to know you
and dating you. I hope I can
see you around. I am sure
I will in the summer
of '79, if you don't
stay on vacation too
long! You are a very
sweet and attractive
young lady. I hope
we can go skiing and
swimming (later on)
anytime. Your driving the
4-wheel drive I heard, you
always wanted to, congradulations
Best wishes, Love always,
P.S. see you around!
(Notice it looks like #9)
Karlin Bonnecent '79

Gwen,
I finally found a place
to write in this book of yours.
Boston could use a lot more
sweet girls like you because
you have a way to make a day
go by a little faster, it must be
your smile. I'll never understand
girls like you, you always in
a good mood. Take care!

Gwen,
I can't believe we'll be Juniors next year. It doesn't seem that long. I have enjoyed talking to you at lunch. We haven't had any classes this year together, but I hope we do next. Have fun over the summer and Good luck in the future.

Gwen,

It's been very enjoyable sharing Crook's class with you this year, and always watching you give him a hard time.

Like you seem to have, I've found that getting as involved as possible makes coming to school that much more enjoyable.

Stay as friendly and as beutifull as you are now and you're bound to go very far in life. Your friend Always

Through the Looking Glass . . .

In a Wonderland they lie,
Dreaming as the days go by,
Dreaming as the summers die:

Ever drifting down the stream —
Lingering in the golden dream —
Life what is it but a dream?

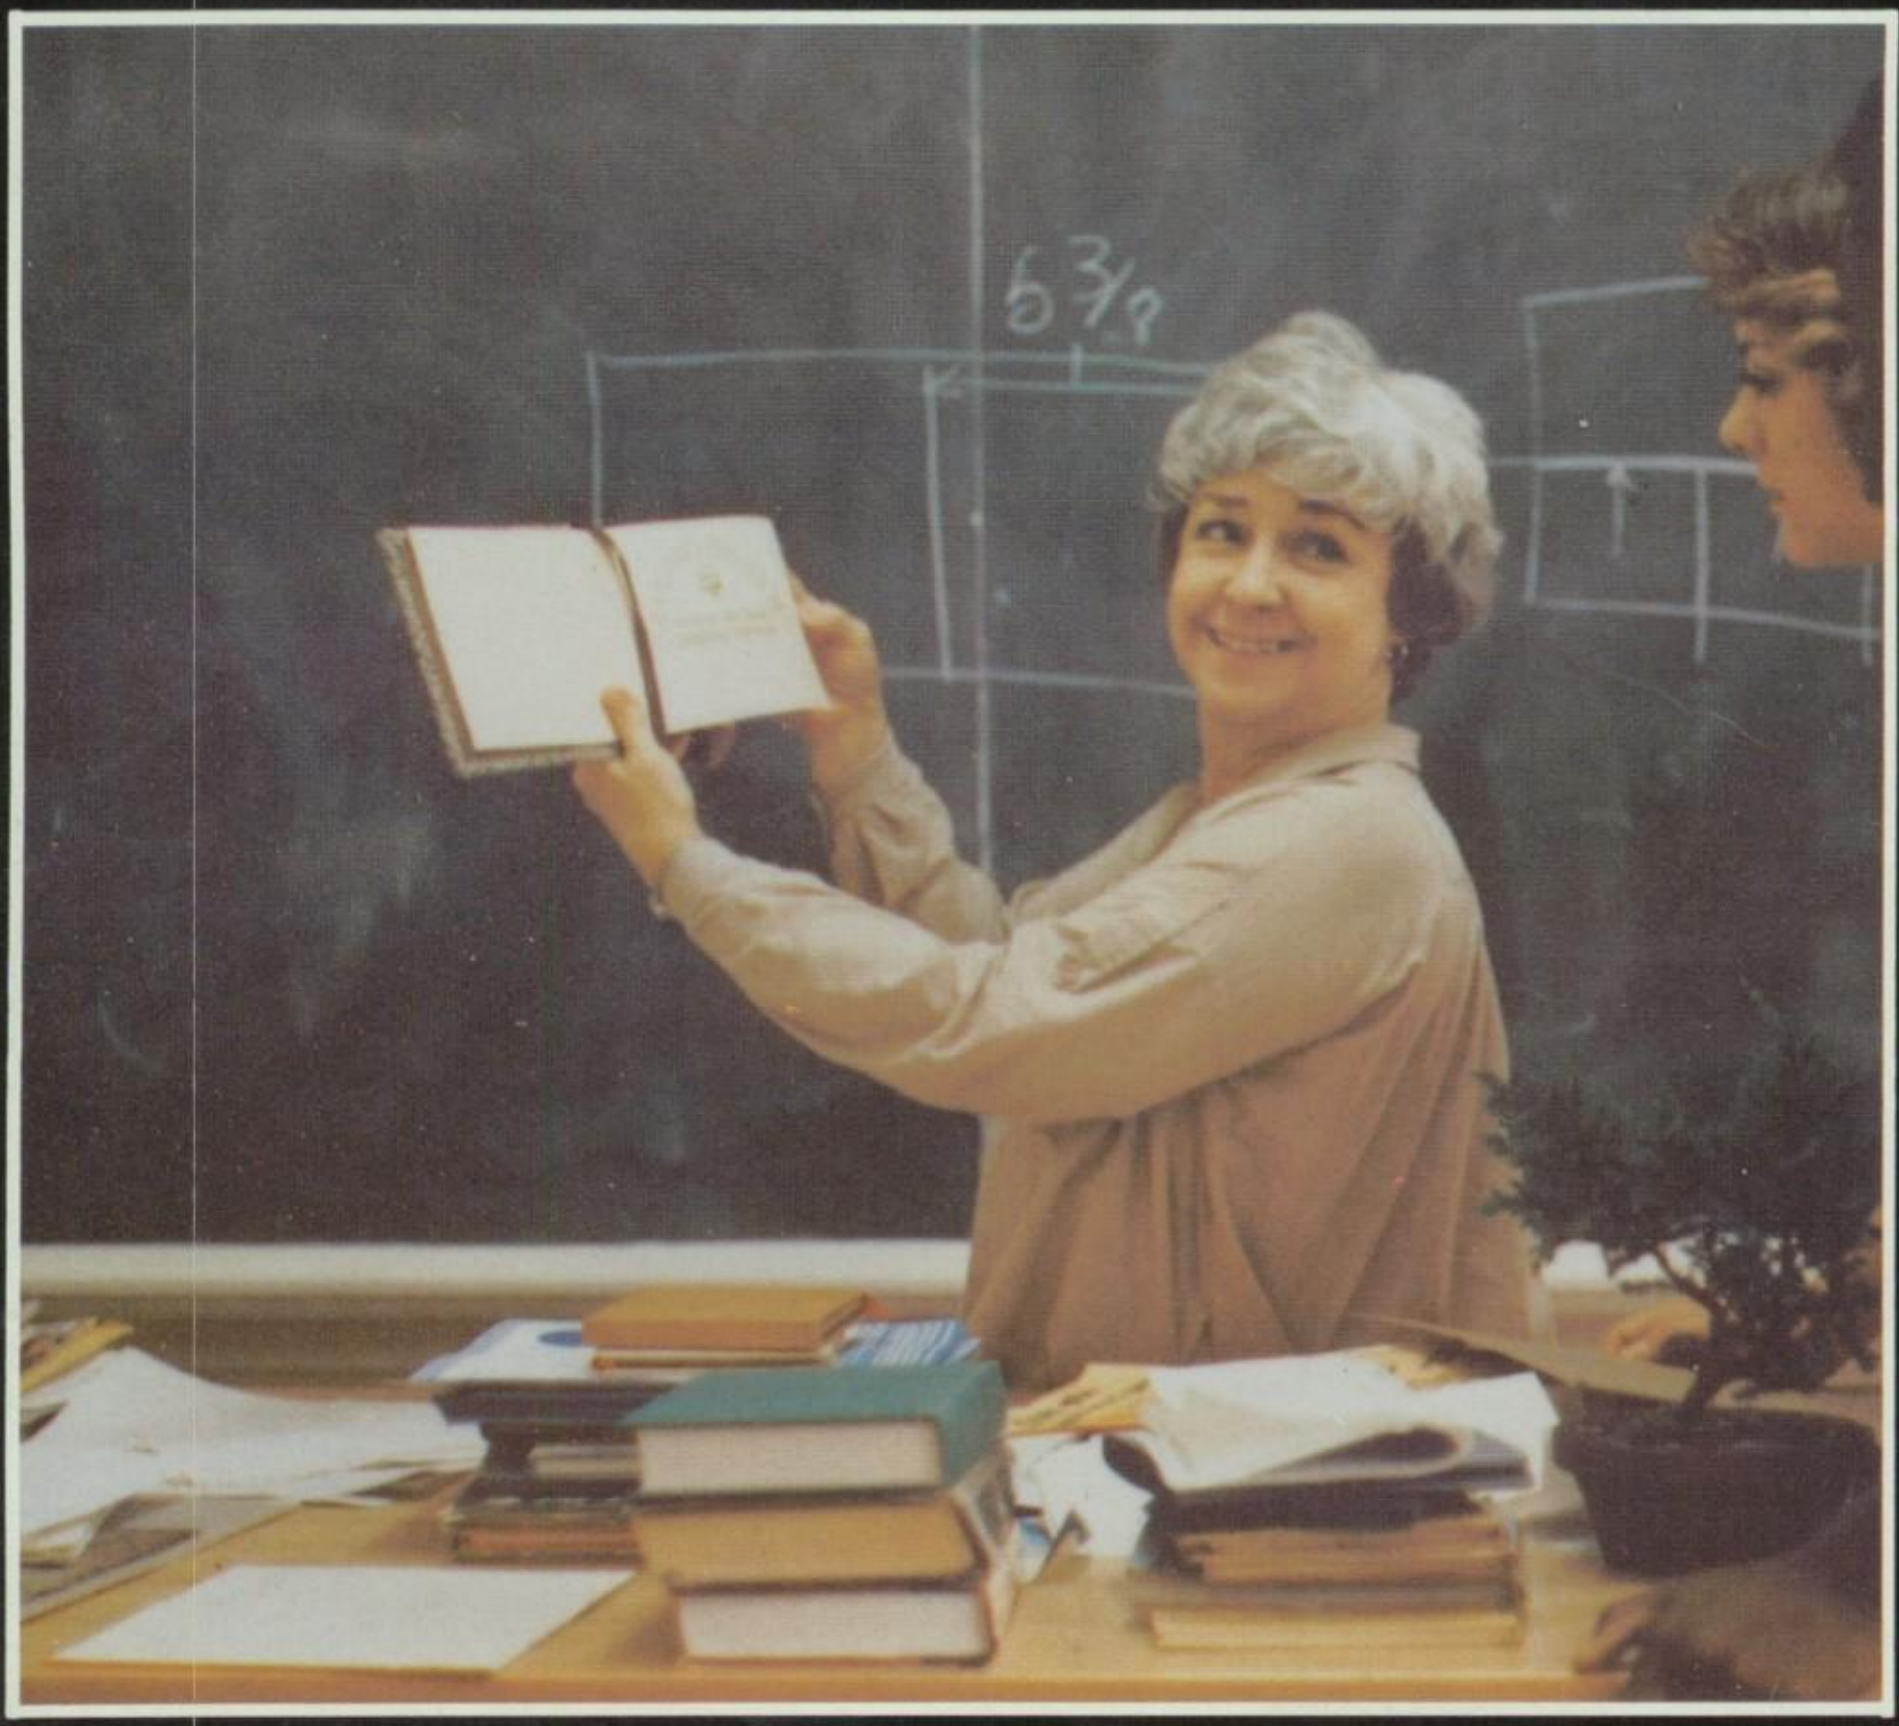
Gwen,
It's been fun knowing you all these years. I hope I get you in one of my classes next year. I'm glad you mad cheerleader. Maybe next year we'll see more of each other.

Love always
Floyd B.

Gwen,

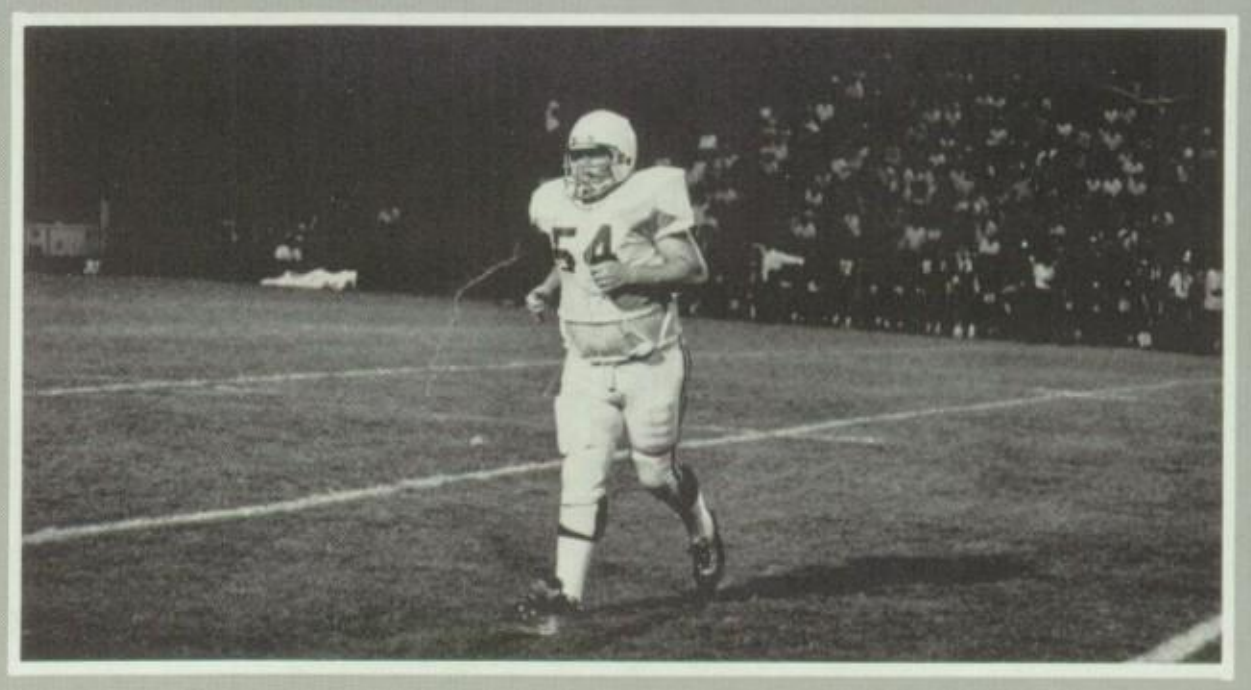
Your just so popular that I couldn't hardly find a place to write. Its been great being in the same class with you. Maybe next yeah we could go out or something. Have a good summer and stay out of trouble.

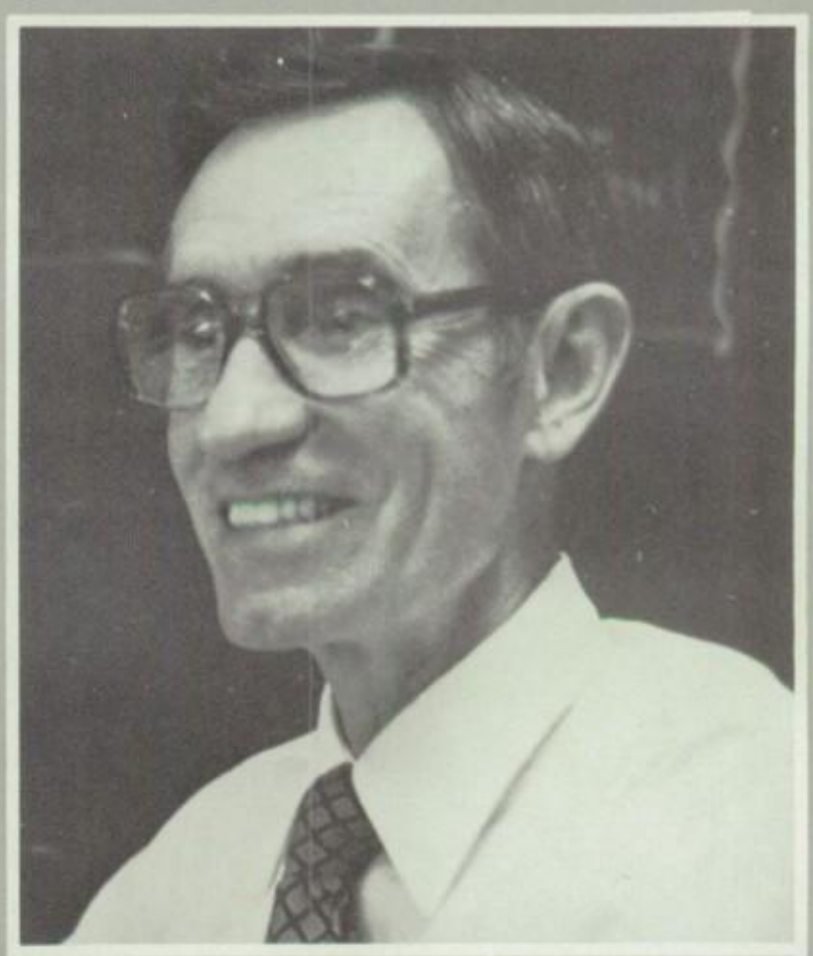
Love,
"Le Bo" Lori Bonga

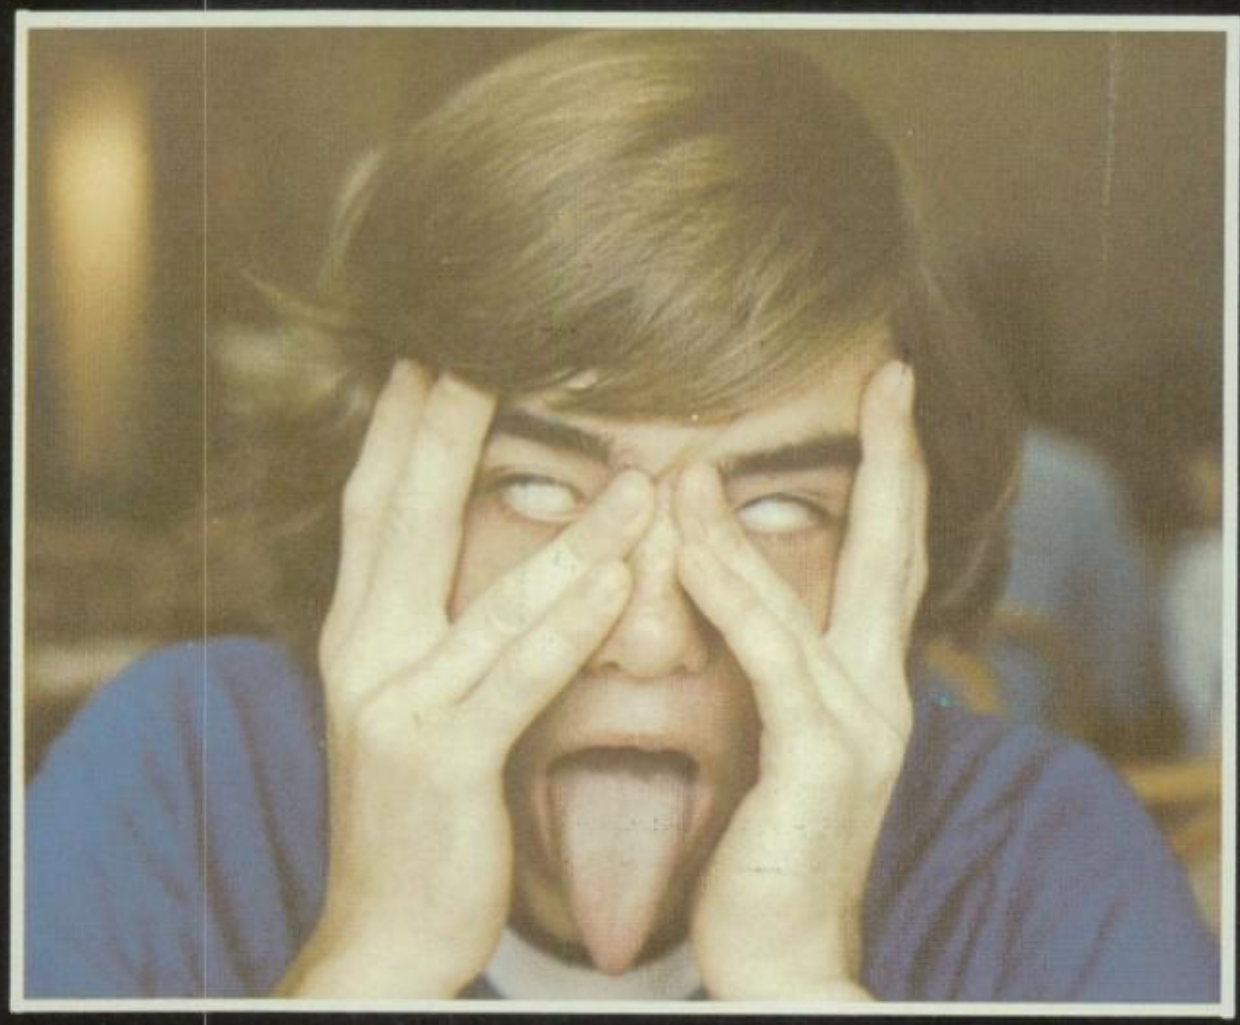


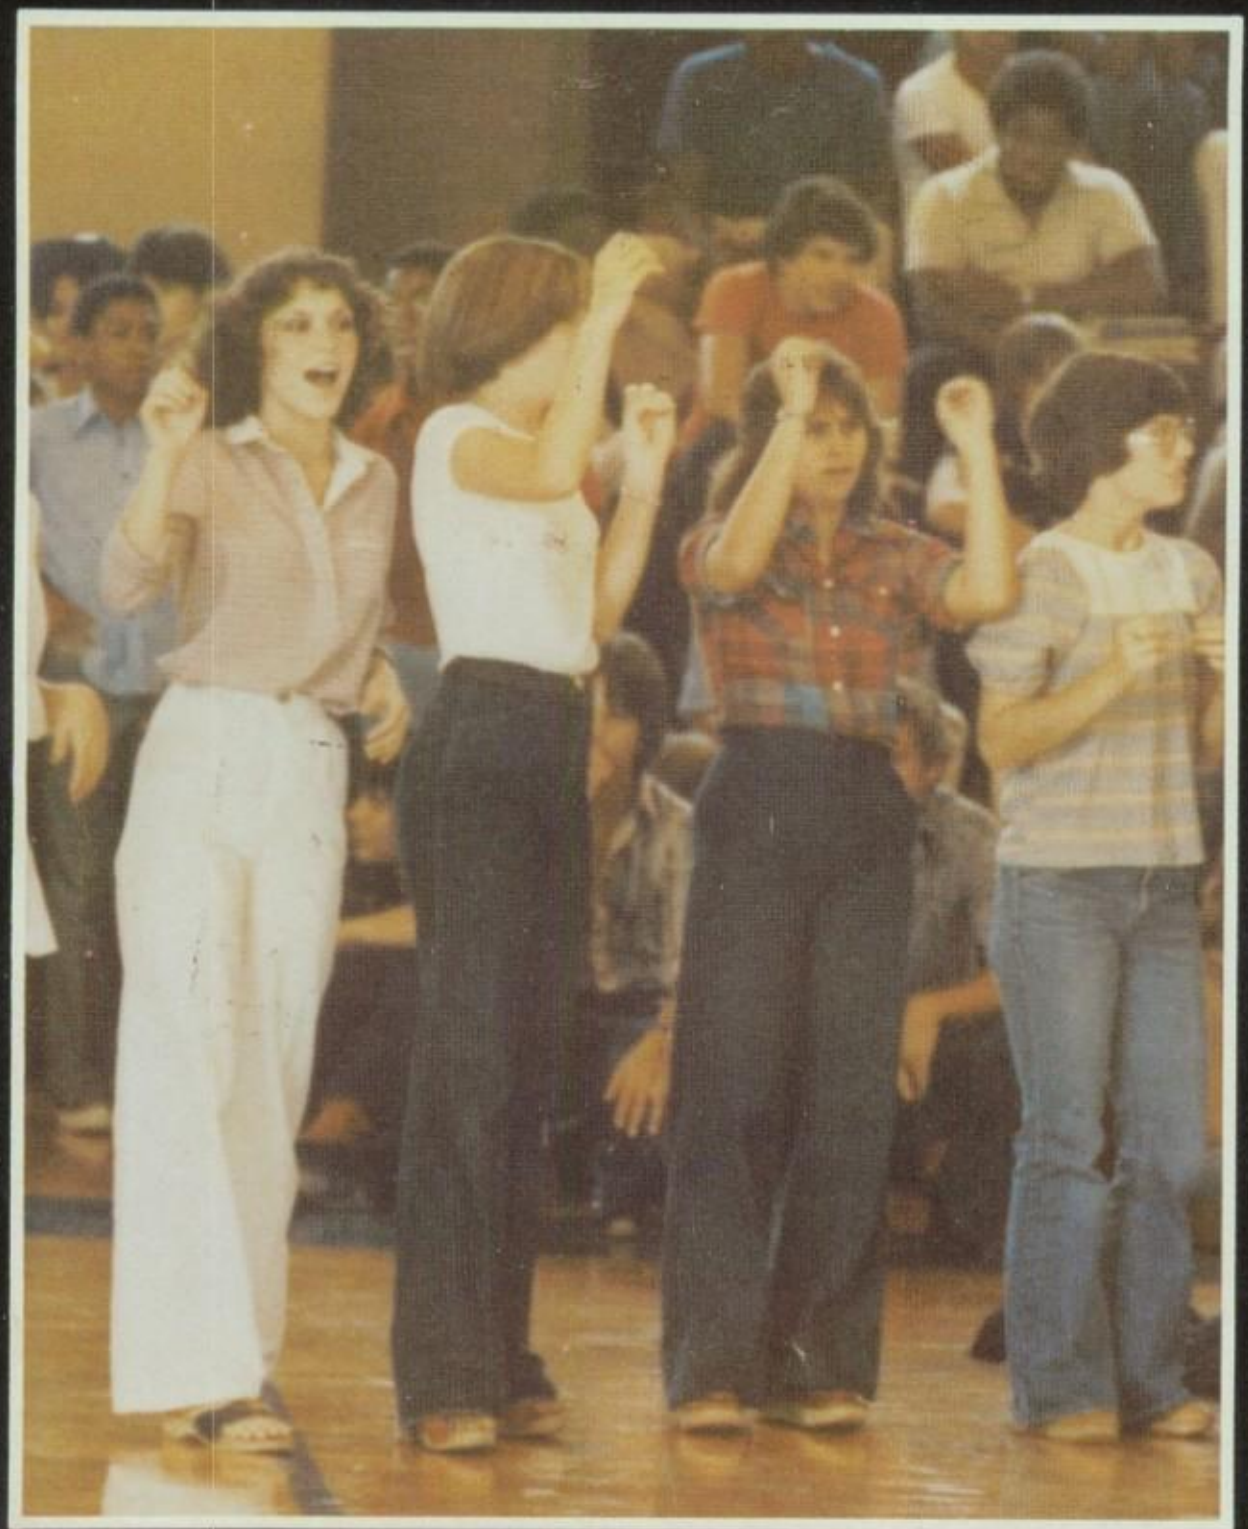
One begins with bewilderment, carefully taking hesitant footsteps, climbing slowly, peering upward, following the examples set by others. One learns, gains confidence, and branches out to new friends and new ideas. One stands straight, with assurance, and walks tall with faith in himself and others, never ceasing his desire for personal improvement.

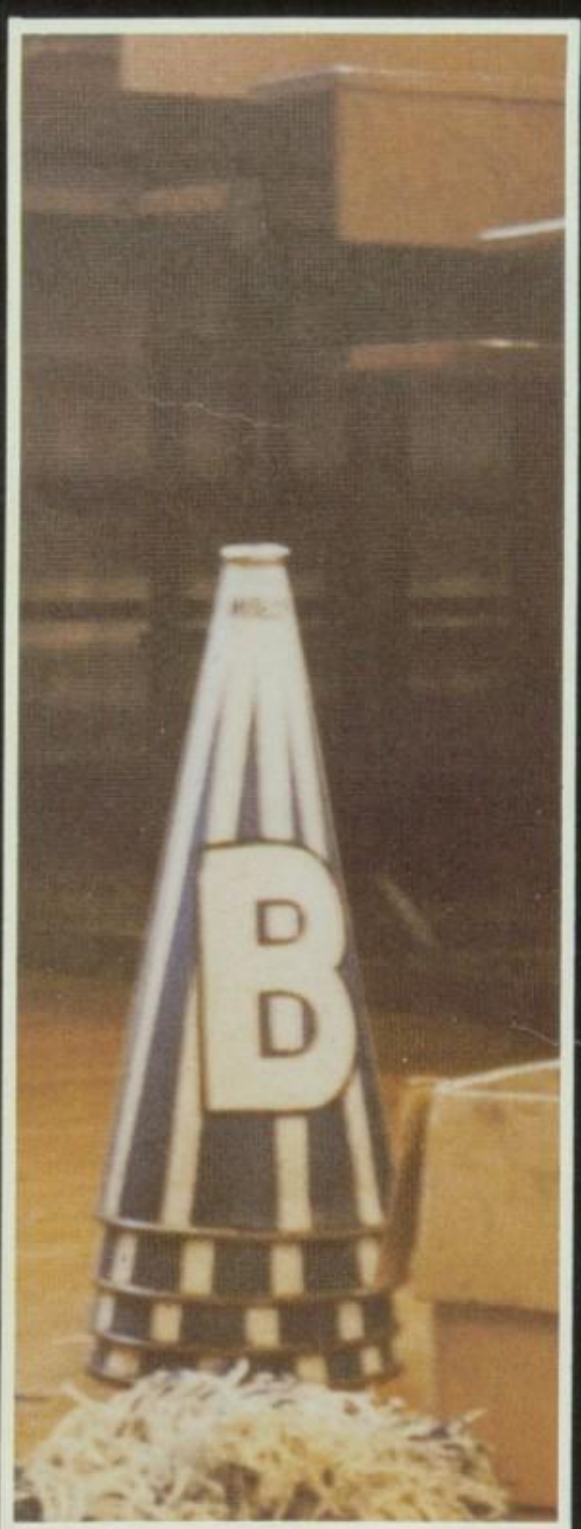
We've only just begun,
to live,
White lace and promises,
A kiss for luck and we're on
our way,
And yes we've just begun.







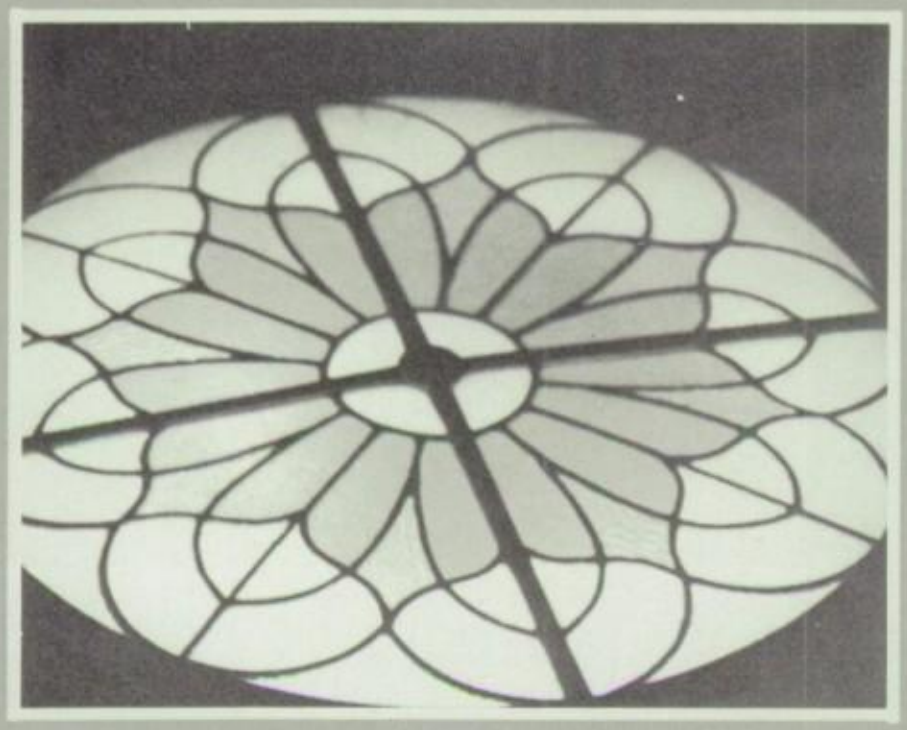


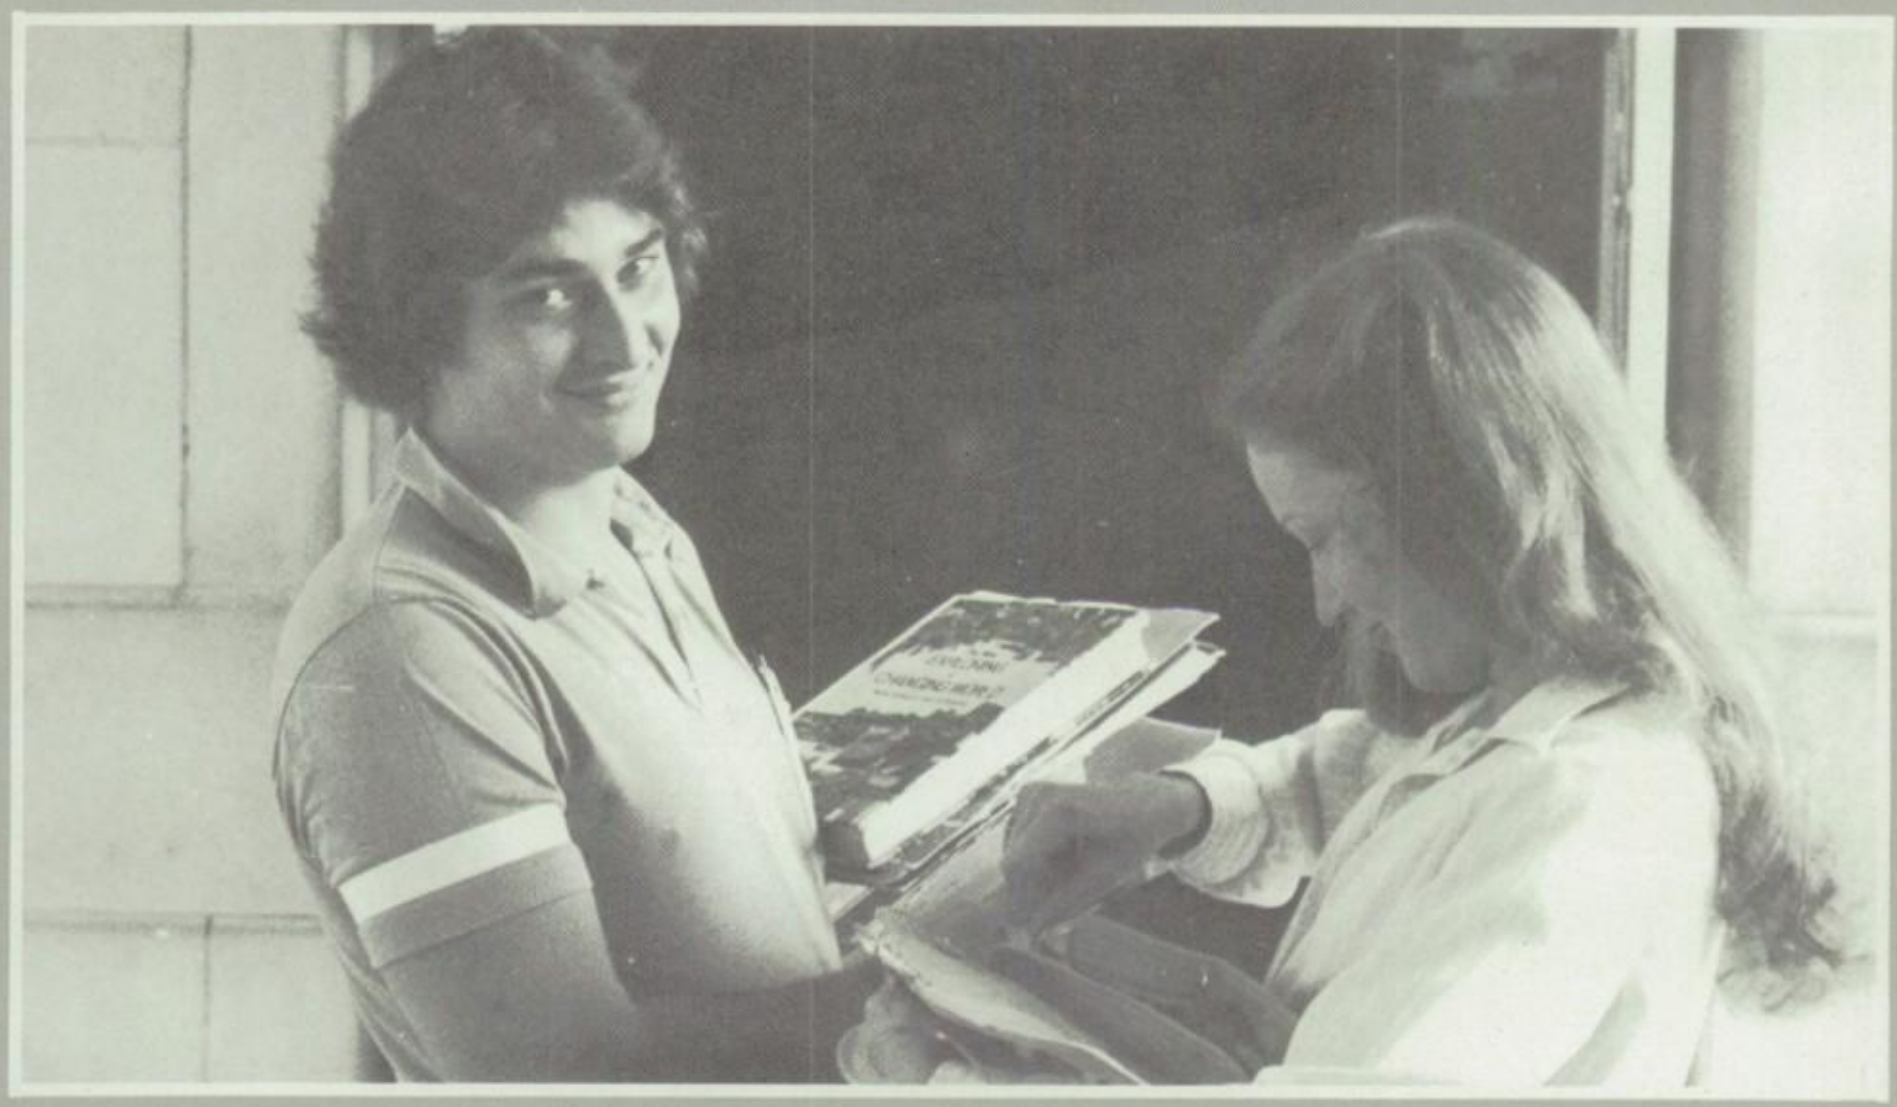


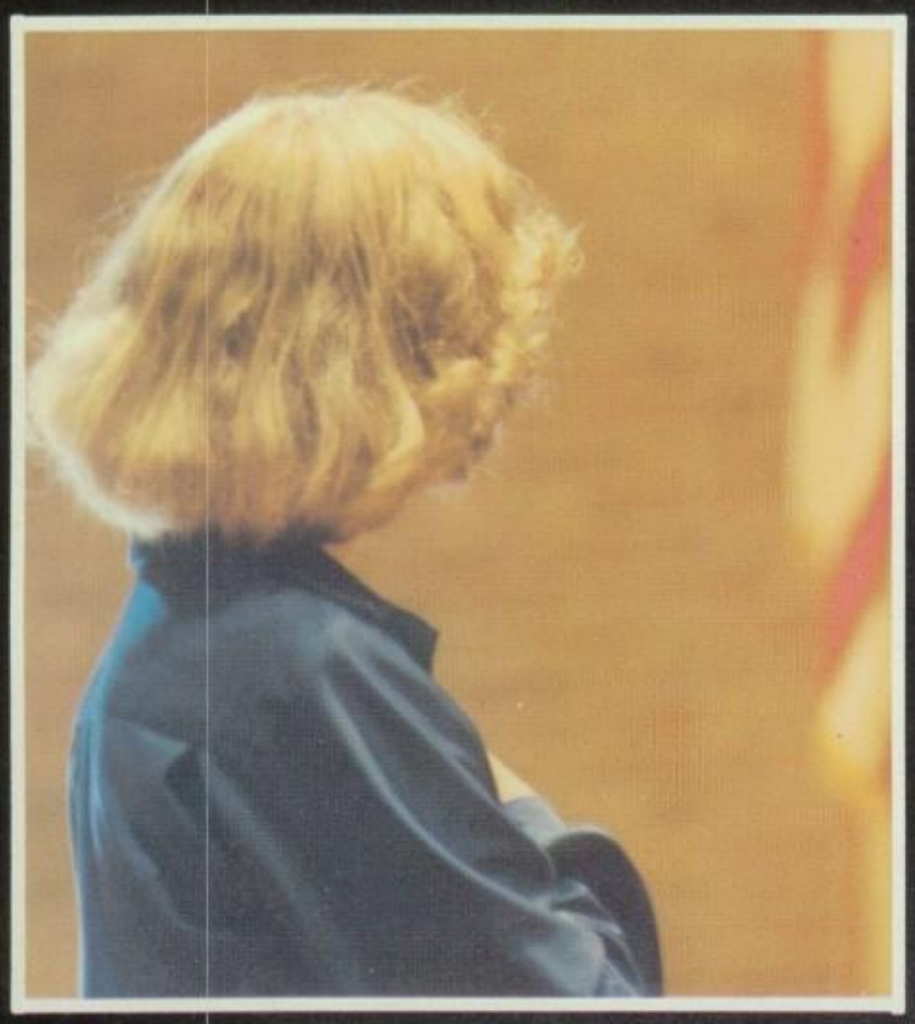
B

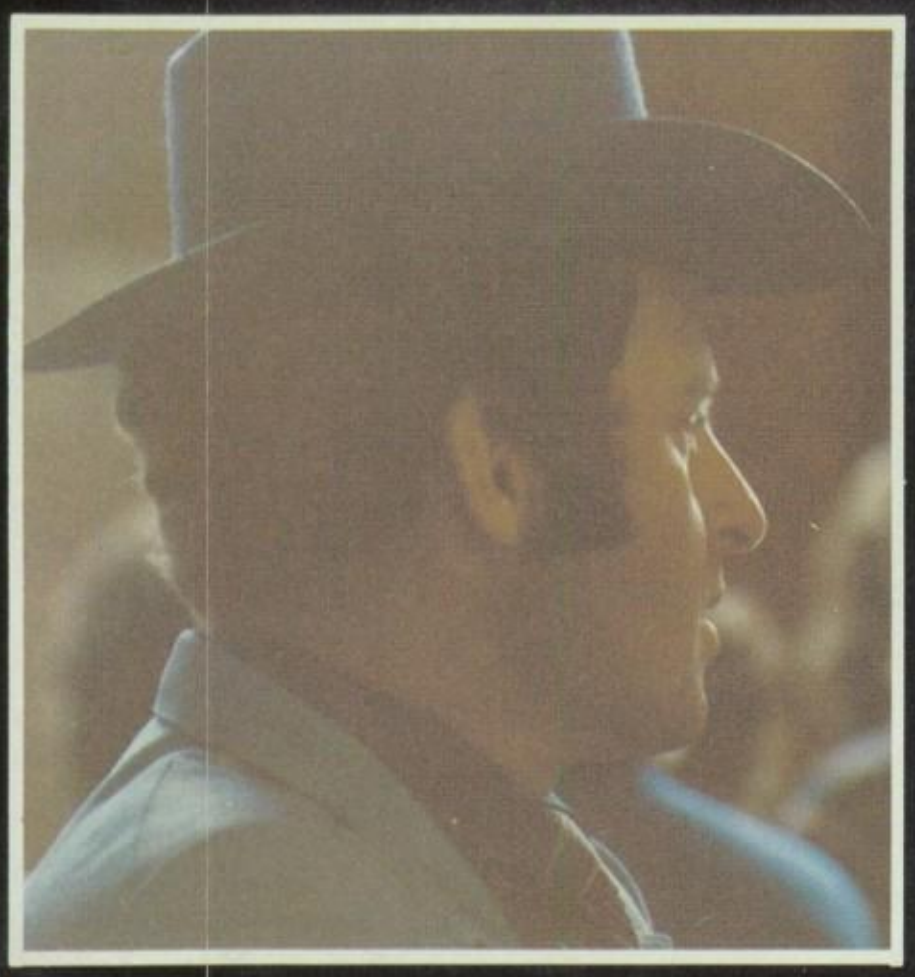
Sharing horizons that are new to us
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day — together . . .
We've only just begun . . .

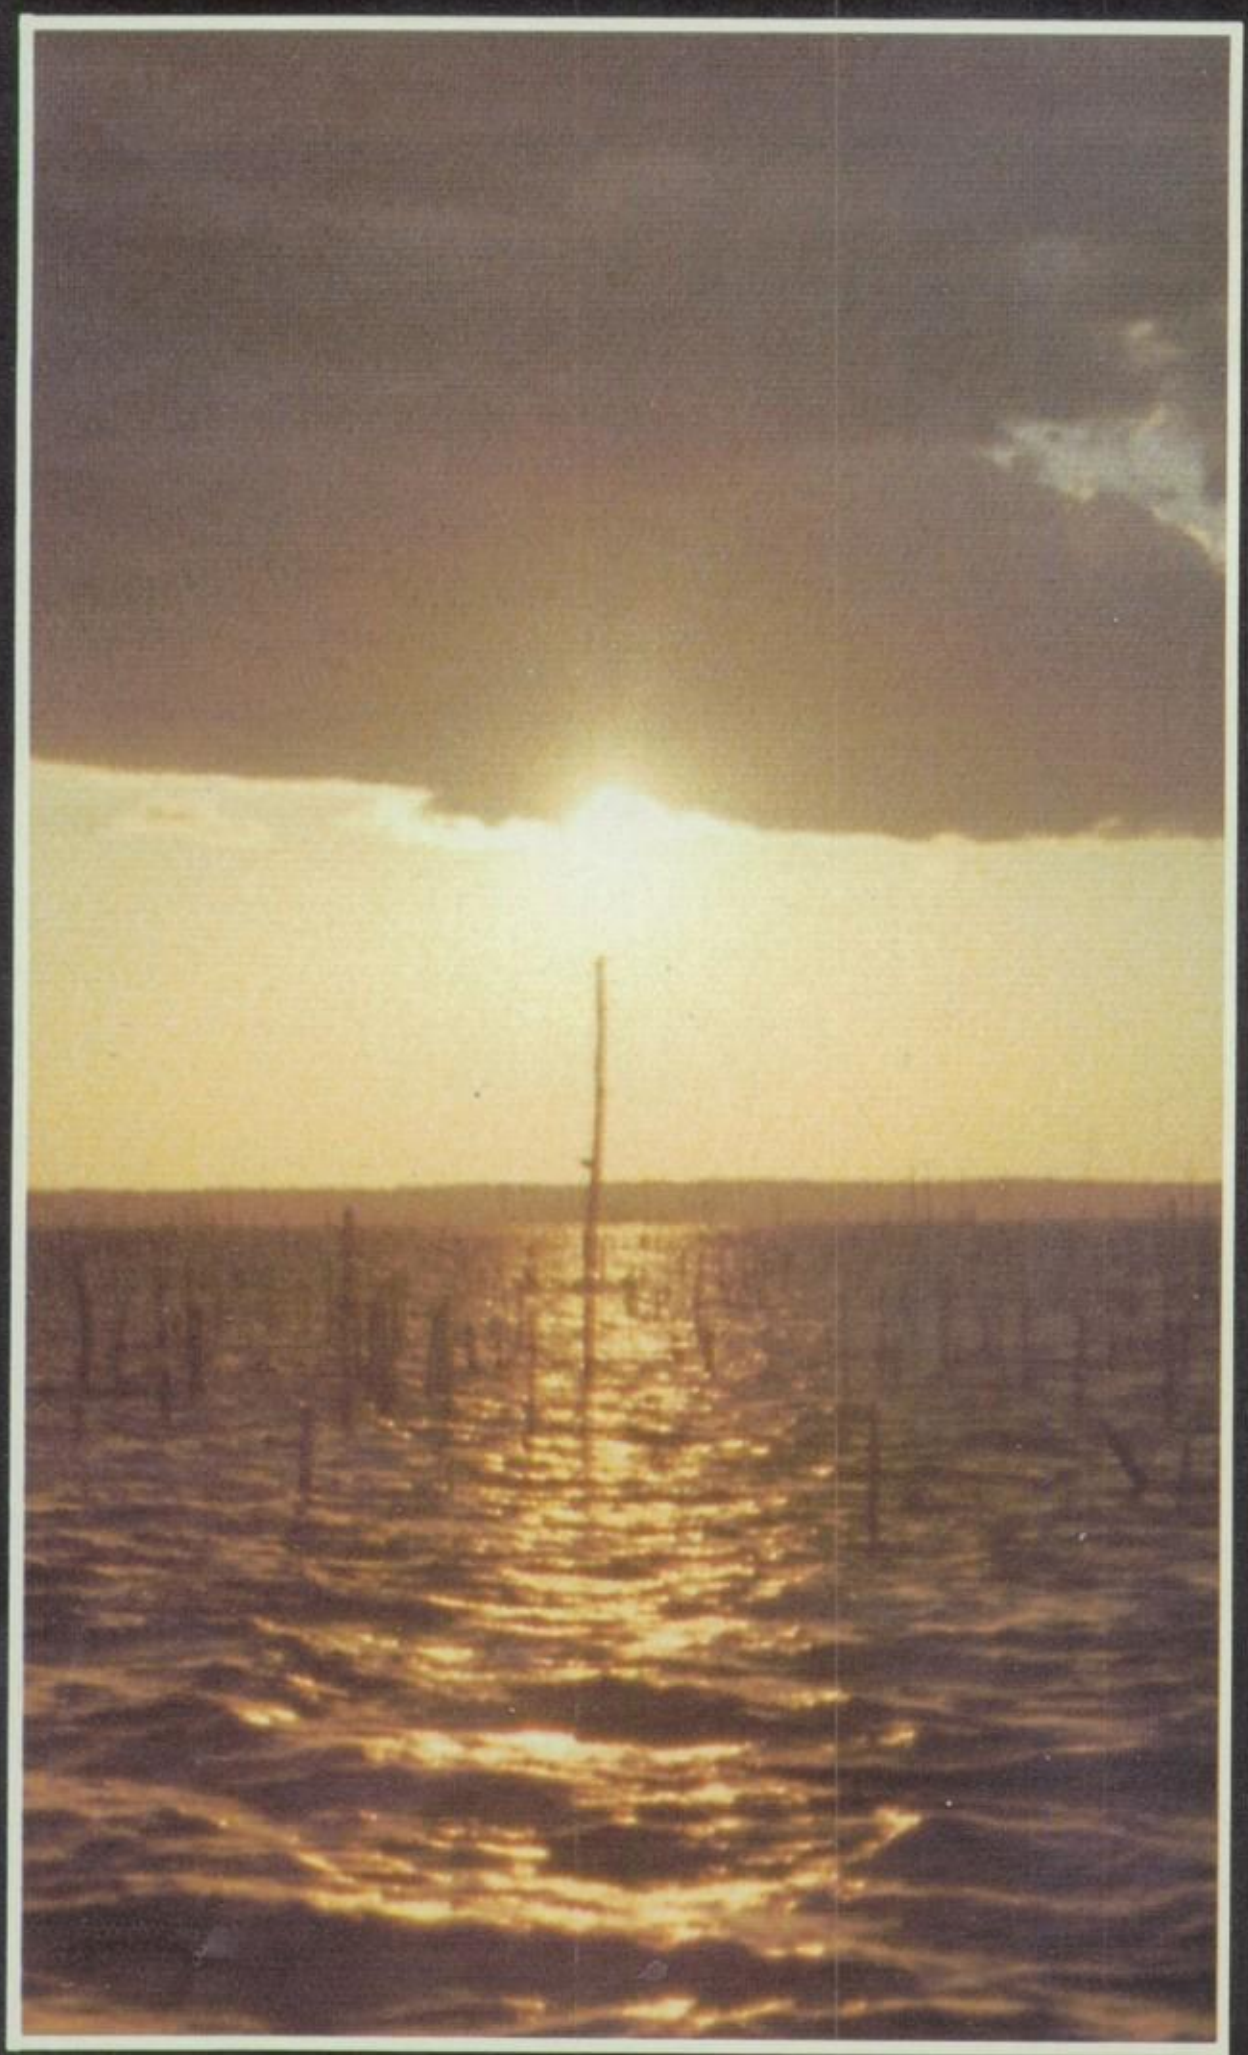
Before the rising sun —
We fly —
So many roads to choose:
We start out walking
And learn to run.
We've only just begun . . .











And when the evening comes,
We smile:
So much of life ahead;
We'll find a place where
there's
room to grow.
And yes, we've just begun . . .
We've only just begun.

Don't forget me ok

Under the leadership of **Nolan Smash,** the Student Council carried out with expertise the projects leading up to and encompassing Homecoming. New ideas were also initiated this year, including collecting money for the Doll and Toy Fund during Christmas time. During the second semester, however, **Ronald Schwartz** took over the responsibilities of President.

Devotion to a Cause — People

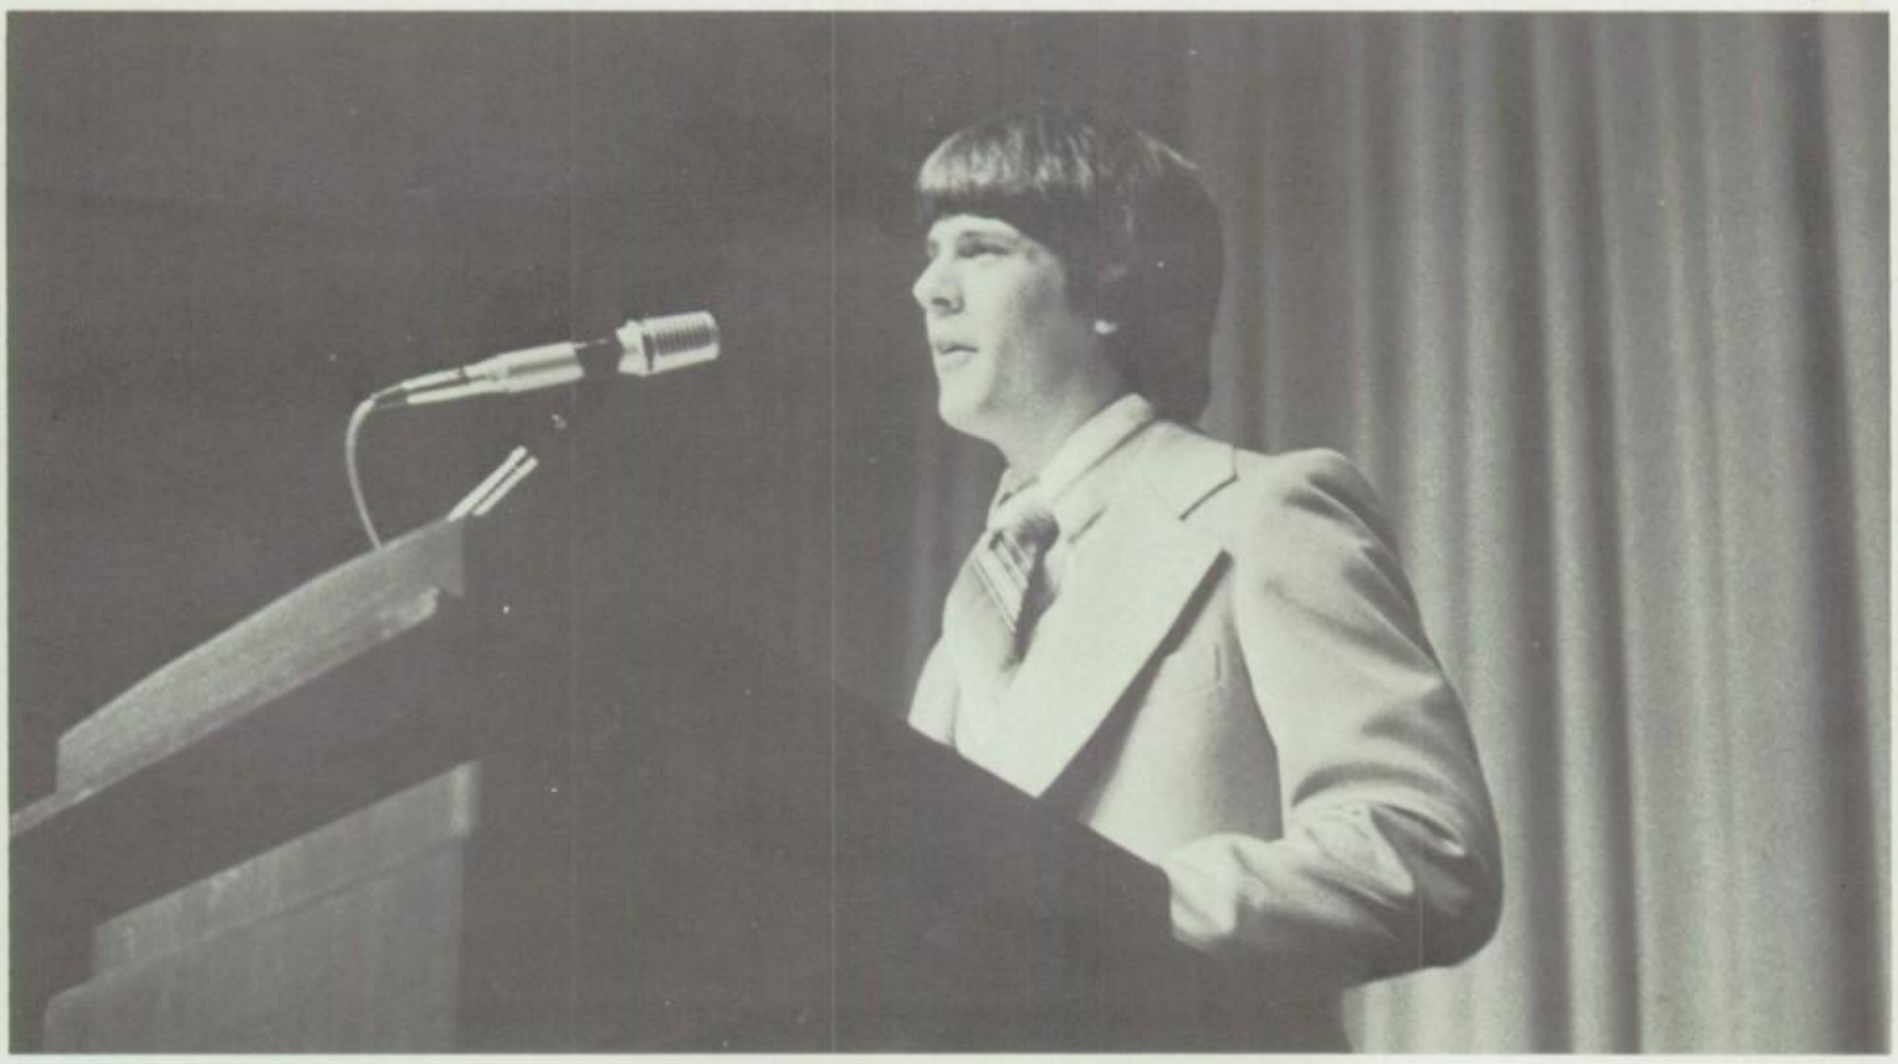
Bottom: Mark Pearce delivers a moving oration to the student body for his election speech.



The task of a yearbook staff is to record every laugh, every tear, every conquest, every defeat of a school year. For some of us, as the years progress, our yearbooks will become the only reminders of our youth long-gone. These are the chronicles for posterity. We leave this puzzle for our grandchildren to piece together. They will gawk at our clothes and laugh at our hair, but we will long to step back through the looking-glass of time and relive the days they call odd. They will giggle at our autographs, but we will shed a tear for our friends who have fallen by the wayside of memory's road. With this in mind, it is our responsibility to leave behind an accurate record.

Persuasiveness Necessary to a Business Staff

As an axle is essential to the functioning of a wheel, so is a business staff necessary to the production of a yearbook. .The selling of ads entails more than just knocking on countless doors; it requires one to sell — himself. Not only are the **Bruin** Business members vital to the **Bruin's** budget, but they are also getting invaluable experience in the world of business.

Precedence Set by Scholastic Excellence

After nomination for membership in the National Honor Society, the juniors and seniors are subjected to careful scrutiny by a panel of faculty and administration. When the final selection is made; the criteria being character, scholarship, leadership, and service; the chosen few are notified by mail. A formal ceremony, complete with candles, is held to initiate the members, at which they add their names to a list of all the National Honor Society members since the chapter received its charter in 1934.

Long established as an elite group of young men possessing leadership qualities and outstanding character, the Key Club is one of Bolton's most respected and active clubs. Some of their duties include collecting for charitable organizations, manicuring Bolton's grounds, cleaning the stadium after football games, and attending Kiwanis Club luncheons. Perhaps one of their most difficult tasks, though the most enjoyable, is the selection of their Sweethearts, for whom they hold the annual Sweetheart Pageant and Ball.

Leaders Tested in Make-Believe Government

Each year the American Legion Auxiliary chooses junior boys and girls to attend Louisiana Girls' and Boys' State. These young leaders are judged on their accomplishments, activities, and grade point average throughout their high school career. While spending a week in Baton Rouge on the LSU campus, delegates are subjected to rigorous military discipline as they go about their duties in governing their mythical 51st state.

Exuberance Flows From Every Pore

The word "cheerleader" conjures in the minds of most, a picture of complete involvement, undying exuberance, permanent smiles, and bubbly, energetic personalities. This seems to be a next-to-impossible description to live up to, but our cheerleaders are masters of their trade. They can transform a seething crowd into a spirited chorus of songs and chants. Inspiring spirit wherever she goes, a cheerleader is an example of a well-rounded student.

Bolton's Band has proven its expertise in numerous ways ranging from winning top honors at competition to livening up assemblies. There are three outlets through which the budding musician may pursue his interests. They are marching, concert, and jazz band. Through involvement with fellow band students, as well as with other performing units, these individuals learn cooperation, discipline, how to follow orders, and how to get along with people.

Belles Dance Into the Hearts of Their Audiences

Involvement in the performing arts plays a strong supporting role in the education process. One of the outlets for this training is membership in the Bolton Belles. The Belles perform at pep Rallies, football games, home basketball games, and special programs. Each girl who is selected to the danceline must possess perseverance in the face of dire circumstances, strict discipline of mind and body, a love of dancing, patience, and it helps if she is a bit of a ham. After a few awkward, terrifying performances before a live audience, the dancer develops poise, self-confidence, and a certain grace about her. These girls have become models for their peers in their conduct and attitude.

Though only in their second year of District 4-AAAA play, the 1979 Bolton basketball team managed to be in the thick of the district race. The Bears made a strong comeback in the second half of district play. This second half comeback could be attributed to the maturing play of the Bears' team. Gwen,
I'm glad we weren't
in any classes together
this year! No, I'm just kidding.
I don't think you're as DUNCE as
Mr. Nugent says you are. Have fun
over the Summer. See ya next year.
